Re: *Nashi Davis Rudolph v. EZE Castle Integration, Inc., et al.*
Case No.: 1:23-cv-2520-ER

Dear Judge Ramos:

We represent defendants in the above-referenced matter and write jointly with plaintiff because we are pleased to report the parties have reached a settlement in principle. As a result, the parties request the Court remove all current deadlines, including the initial conference scheduled for tomorrow, and give the parties time to complete the settlement agreement and then submit it together with the necessary *Cheeks* motion for the Court's approval.

Accordingly, we respectfully request the court adjourn the upcoming initial conference, and all other case deadlines *sine die*, and instead grant the parties time to complete the settlement documentation and motion for approval.

We appreciate the Court's attention to this matter and remain at the Court's service.

Respectfully submitted,

Mark A. Beckman
